This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.cpg.org/mtdocs</u> or call (800) 480-9967.

For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$ 1,400/Individual or \$2,800 Family network \$2,800 Individual or \$5,600 Family out-of-network	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. The network and out-of-network <u>deductibles</u> accumulate separately.
Are there services covered before you meet your deductible?	Yes, preventive care	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	No.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For network providers, \$2,400 individual / \$4,800 family; for out-of-network providers \$4,800 individual / \$9,600 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met. The network and out-of-network <u>out-of-pocket limits</u> accumulate separately.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums (contributions), balance-billing charges, penalties, and healthcare this plan doesn't cover	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.mycigna.com or call (800) 244-6224 for a list of network providers .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

Questions: Call 1-800-244-6224 or visit www.mycigna.com. If you aren't clear about any of the bolded terms used in this form, see the Glossary. You can view the Glossary at www.cpg.org/uniform-glossary or call 1-800-480-9967 to request a copy.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
