

R-85-03: A resolution on adult illiteracy

Be it resolved, that the issue of adult illiteracy in the Diocese of Southern Ohio be a major focus for the years 1986-87 for service oriented organizations within our parishes;

And be it further resolved, that each region seek to address this issue by March 1986, and report progress to the Human Needs and Concerns Commission with or through the Social Concerns Chairperson of each region for evaluation for further implementation during 1987.
