

R2012-04: Call for Continued Support of Cincinnati Union Bethel and Anna Louise Inn

Resolved, that members of the Social Justice & Episcopal Public Policy Network reach consensus to establish one or more quantifiable and meaningful measurements (metrics) to track, evaluate, and respond to the educational, pastoral, and missional impacts that R12-04 will have upon the Anna Louise Inn and downtown Cincinnati communities as well as the Diocese of Southern Ohio, *and be it further*

Resolved, that the Social Justice & Episcopal Public Policy Network connect these measurements to the Diocese of Southern Ohio's aforementioned mission priorities of its mission in the world as well as the further development of Gospel-based Christian formation. Such objectives and associated measurements will formally enable the Diocese to objectively quantify the resolution's benefit over the coming months, *and be it further*

Resolved, that the Social Justice & Episcopal Public Policy Network share the results of these measurements on a quarterly basis to the Diocesan Council as well as to the Diocese at large through established communications channels such as the diocese's *Interchange*, website new articles, and Facebook pages, as well as update the annual results of the resolution to the Diocese of Southern Ohio's 139th Convention.
