AUGUST 8 SPECIAL ELECTION – SPREAD THE WORD!

There will be a special election August 8th
on Issue 1 which proposes changes to how
the Ohio constitution is amended **by citizens**.
If Issue 1 passes, these rules would change:

	IF ISSUE 1 PASSES	CURRENT
Vote needed to pass amendment	60% - effective immediately for November election	50%+1
Petition signatures to get issue on ballot	For all 88 counties: valid signatures from at least 5% of the number of people who voted in previous election for governor	For 44 counties: valid signatures from at least 5% of the number of people who voted in previous election for governor
Time to gather additional signatures if needed	Eliminated - starting Jan 1, 2024	10 days

Changing this threshold would impact citizens' voice on issues such as redistricting/gerrymandering, minimum wage increases, limits on property tax, and bonds for many purposes, including schools, sewers, affordable housing, economic development and conservation.
