The Diocese of Southern Ohio is engaging in an exciting transition. We will be discerning, as a diocese, the mission of the Diocese of Southern Ohio and how we will align our financial resources with that mission. This will mean a beginning for innovative programs, a continuation and maturation of other programs, and the sunsetting of some programs whose work is done.

The budget committee is tasked with balancing the financial requirements supporting the missions and ministries of diocesan leadership with the financial needs of individual congregations, in matching anticipated expenses with expected revenue. As we prepare the 2025 budget, we are all tasked with discerning how our ministries help to build up the body of Christ in doing the work that God has given us to do.
