

Diocese of Southern Ohio

Regions of the Diocese of Southern Ohio

Released July 2025

Our regions are non-canonical designations by which our diocese gathers for learning, conversation, and fellowship across our geography. They help name and guide representation in governance, staff deployment, and offer the congregations of that region to organize self-driven opportunities to gather.

Find your congregation's designation [grouped by region](#) or as a [list, alphabetized by city/neighborhood](#).
